

July 24, 2011:

FIRE UPDATE

The response to help our crew members affected by the July 13 fire has been overwhelming! We were inundated with donations of clothing and personal items; the crew has taken what they can use and the remainder has been passed on to help others in need. There have also been very generous monetary and gift card donations and all 12 people have started to restore their possessions, and lives.

While the theatre remains wholeheartedly grateful that all our people are safe, and so very grateful to all who have helped them, we are now faced with the loss of one of our houses, and we're starting to think of how we might be able to replace the building. All options will be explored, and we'll keep reporting on our progress. We'll need space for 12 people by next May!

Donations for our rebuilding, or for the crew, may be made to The Mac-Haydn Theatre, Inc., P.O. Box 204, Chatham, NY 12037. For credit card donations, please call the box office at 518-392-9292. Please indicate which effort you wish to help.
